

THE COUNT COMPLETED.

The State Canvassing Board Throws Out the Thirty-fourth Precinct in Silver Bow.

Republicans Happy and are Lording it Over the Men they Have Swindled.

Judge De Wolfe Not Recognized by the Returning Board a Supreme Court Into Itself.

The state canvassing board met at 10 o'clock yesterday morning and adjourned at one minute past one. It was ample time to permit the filing of a report which is as unique as a Chinese Sunday school hymn.

Territory of Montana, county of Lewis and Clark, ss. We, Benjamin F. White, governor, Henry N. Blake, chief justice, and Louis A. Walker, secretary, of the territory of Montana, the duly appointed and authorized canvassing board designated in the act of congress approved Feb. 22, 1889, providing for the admission of Montana as a state into the union, and also under and by authority of ordinance No. 2 passed and enacted by the constitutional convention of the said territory, do hereby certify that the above and foregoing is a full, true and correct abstract of the votes cast in said territory at the election held on the first Tuesday in October, as appears by the duly certified returns from the counties named and as counted and canvassed by us this fourth day of November, 1889.

And we further certify that having duly canvassed as such canvassing board on the 31st of October, 1889, the same having been the thirtieth day after the close of said election and having received no duly certified returns from the county of Silver Bow, in said territory, we duly appointed and commissioned Benj. Webster a special messenger to proceed forthwith to the said Silver Bow county and to demand and receive from the clerk of said county a properly certified copy of the abstract of the votes cast in said county at said election as canvassed and declared by the proper canvassing board.

That the said messenger Benjamin Webster, duly appointed as aforesaid, did proceed to the said Silver Bow county and did demand from the county clerk of said county the duly certified copy of said abstract of votes as aforesaid, and thereafter returned to Helena and made his sworn report that the demand for said abstract was by the said county clerk refused.

Being, therefore, without any proper copy of the abstract of votes cast in Silver Bow county, and having exhausted the authority given by the statute in endeavoring to obtain the same, it now becomes our duty to ascertain and declare the same from the best sources of information obtainable.

We have before us the official certificate of Chas. F. Booth, county clerk of Silver Bow county, showing that a certain number of votes were cast for the different candidates in that county in the different precincts thereof, naming each of them and the number received by each candidate in each precinct, including the thirty-fourth precinct as having voted at said election. We also have before us an official notice signed by Mr. Booth, as county clerk of said county, stating in effect that the board of canvassers in said county met as such on the 14th day of October, 1889, and did then and there canvass and count the vote of Silver Bow county and declare the result thereof, and that they did not count but did reject as false, fraudulent and void all the votes reported as cast and counted in election precinct No. 34 in said county.

No other further action having been had by the canvassing board of said county in relation to the canvass of the vote therein we conclude that the true result as canvassed and declared must be found by eliminating from the list of votes cast as certified by County Clerk Booth, the vote of precinct 34 which was rejected by said canvassing board, as stated in the certificate of said county clerk and which shows the true vote of Silver Bow county to be as follows:

Table with columns for candidates and vote counts. Includes sections for Silver Bow Vote, For Representative in Congress, For Governor, For Lieutenant-Governor, For Secretary of State, For Attorney-General, For State Treasurer, For State Auditor, For Superintendent Public Instruction, For Chief Justice, For Associate Justice—Seven Years, For Associate Justice—Five Years, For Clerk of Supreme Court, For State Senator, For Members Legislative Assembly.

votes cast at said election held on the first day of October, 1889, in Silver Bow county, Montana, according to and in strict conformity with the abstracts of votes made and certified to by the duly and legally constituted board of canvassers of election returns for said county at said election, and we hereby further certify that the following named persons, having received a majority of all the votes cast for the respective offices named and heretofore designated, are and they are hereby declared to be duly elected:

Mr. Booth's Letter.

Following is the letter referred to by the canvassing board:

County of Silver Bow, Territory of Montana, ss.

I, C. F. Booth, county clerk and recorder and ex-officio clerk of the board of county commissioners of Silver Bow county, Montana, do hereby certify that William M. Jack, chairman of the board of county commissioners, with the assistance of Caleb E. Irvine, probate judge, and William E. Hill, county commissioners, did, in accordance with the provisions of law, meet at the office of the county clerk at Helena, City, Montana, at 10 o'clock, a. m., on Friday, October 11, 1889, as the canvassing board of said county, to canvass the returns of the general election, held in Silver Bow county on October 1, 1889, the said canvassing board remained in session and continued to canvass the returns from day to day until the 14th day of October, 1889; that objections were made by representatives of the republican party and representatives of the democratic party to the canvass of the returns from the 34, 14th and 24th precinct in said county; that on the 14th day of October the canvassing board, or a majority thereof, did overrule the objections made to precincts 8 and 14 and rendered the decision that they would sustain the objections made to precinct No. 34, and directed the clerk of said board to strike out from the abstract of said votes, the returns from said precinct No. 34; that while the clerks were engaged in this work and before the completion of said abstracts, all the members of the canvassing board were served with a writ of mandamus from the district court commanding them to make an abstract of the votes cast at precinct No. 34, or to appear before the court on the 7th day of Nov., 1889, and show cause why they had not done so; that the canvassing board did not make an abstract of the votes cast at precinct No. 34 as directed by the court, nor have they shown cause why they have not done so; that by reason of said order from the district court the abstract of votes for said county is incomplete, and that by reason of the fact that the said abstract of votes is not complete, I am unable to forward the copy of such abstract as is required by law to the secretary of the territory, and that I shall be unable to send such copy until after the 7th day of Nov., 1889.

In witness whereof I have hereunto subscribed my hand and affixed the seal of said county on this 21st day of October, A. D. 1889.

CHAS. F. BOOTH, County clerk and recorder and ex-officio clerk of the board of county commissioners.

THE EUROPEAN.

A First-class Restaurant and Oyster House Established.

The finest restaurant in Helena was thrown open to the public last evening at No. 22 Jackson street. The room is 80 feet long, one side of which is the ladies department containing five rooms which can be used by persons desiring privacy. There is a side entrance and this will undoubtedly prove popular to theater parties and the like. The other part of the room contains eighteen tables at which four can be conveniently seated. The kitchen is a model of neatness and is presided over by Mike Phillips as chef, with four assistant cooks. Mike is one of the best cooks in the west and is so recognized. The help was chosen from the best obtainable in the city and are well trained. The tables are spread with snowy linen and the brightest of cut glass and silver adorn them.

The menu last evening was one of the best that has ever been furnished for the luxury in Helena and a great number availed themselves of the opportunity to partake of an excellent meal. The restaurant is brilliantly lighted with electricity throughout. There are no fumes from the kitchen to take away the appetite, the services in all that can be desired and Efo Schladt, the proprietor, should be congratulated on taking the risk he has in establishing a first-class restaurant in Helena.
